AN "OLD GRUDGE"

Last Saturday night as Walter Ruffer was cranking his car preparatory to leaving Elmira the three brothers Harry, Frank and Louis Bernath jumped on him and with the aid of a club bruised him up in rather bad shape, a bad gash over the eye and ligaments in one of his legs torn loose seems to have been the more serious of the injuries received by Ruffer. The three brothers were arrested on warrants issued by Justice Deyo's court on charge of assault with intent to kill. A hearing is set for this Friday forenoon. A civil suit for \$5000 damages has been brought by Ruffer against the Bernath brothers in Common Pleas Court. None of the parties to the fracas were under the influence of intoxicating liquors and the only motive for the assault that has been assigned is that the Bernath Brothers held an old grudge against Ruffer.

### MAIL SLINGERS SPEND PLEASANT EVENING

The entire post office force, with the exception of one rural carrier, spent a very pleasant evening at the home of Mr. and Mrs. Percy Stites near West Barre Monday evening. The event was planned in honor of Levi Hoy, better known by the force as "Daddy Hoy". Mr. Hoy who has been in the rural service for nearly twenty years, recently resigned, his resignation went into effect July 15th and his successor Mr. John King began his work July 17th.

Mr. Hoy was one of the first three carriers appointed in Ohio, and as Ohio was one of the first States to secure the Rural Service Mr. Hoy was the oldest carrier in the State and probably in the United States. He has been prominent in the R. L. C. Association having been President of the County Association every year but one since the organization. He also served as Vice President of the State Organization of the R. L. C. for four years.

The party was conveyed to the home of Mr. Stites in four automobiles, after arriving and chatting for a few minutes the boys were called to order by County President Stites. In well chosen words he explained the object of the meeting—he went on to enquire Mr. Hoy for the excellent service he had made in the mail service. Mr. L. Burgoon then took charge of the program, he first called on Mr. Hoy for a speech, he responded with the usual vim and eloquence—the new carrier Mr. King was then called upon and responded in a pleasing manner. Postmaster Welch then gave a very pleasing talk to the boys, after this Mr. Cingman in behalf of the Post Office force presented Mr. Hoy with a fine panama hat.

Mr. Hoy again responded, he then took matters in his own hand, acting as toastmaster and proceeded to put the remainder of the program through various stunts, each member of the force was compelled to make a speech or at least to try, on the threats of dire consequence. Space will not permit a record of these speeches, it is needless to say they were appreciated and heartily applauded. After the speeches the boys were requested to take their seats at tables all ready spread, where they were served with ice cream and cake; while the boys were at the table they were entertained by some excellent music by Mrs. Bert McLean and her son Walter. This was appreciated very much.

After the refreshments the boys all gathered around the piano and sang songs. The song service was led by "pompadour" Campbell who proved himself an excellent song leader. After bidding one another good night the party then returned to their homes. Having spent an evening long to be remembered.

UPP-KIMERER.

On Tuesday evening, July 18th, Miss Ruby M. Upp and William C. Kimerer were united in marriage. The party drove to Bryan Tuesday evening and from Bryan to Chicago Wednesday. Mr. and Mrs. Kimerer have the best wishes of their many friends for a pleasant wedding journey and a long happy and prosperous married life.
